## Sales representatives & resellers wanted!

H. Schoenenberger GmbH still works together with a worldwide network of representatives and resellers for the print and paper industry. However, we would like to expand our business in plastics and plastic recycling, and thus, we are always looking for experienced sales organizations all over the world.

Currently we are focusing on regions such as France, Spain, the UK, Balkan States, Israel, Japan, Taiwan, Thailand.

You are working with a German family operated company. We are leading in manufacturing knife for the plastic production industry.

### Your benefits:

- Increasing your business in a growing market
- Wide product range direct from the manufacturer "Made in Germany"
- Support and start-up training from our engineers in your factory or at our company

If your profile fits into our idea than contact us.
